

SILTEK PRO 12

Quiet, high-pressure oilless compressor, ideal for professionals.

Professional high-pressure (12 bar) compressor equipped with a very quiet, non-lubricated pumping unit, developed and designed to be used wherever you want for intensive use. Ideal for all applications requiring low noise emissions. The pumping unit is fully protected by the robust tubular structure that includes an extendable handle for easy handling and a 20-litre tank. Equipped with a double air outlet so it can also be used with two work tools.
