

PULSAR EVO MK103-100-3T

Professional silenced single-stage belt driven compressor, complete with tank.

Professional silenced compressor, with the lowest noise level in its class, designed to solve the problem of noise in work environments. The control panel is positioned for easy reading and operation. The opening front door allows easy maintenance. The machine has a large 100-litre tank with four wheels (two large and two pivoting) and a convenient handle for easy handling.

TECHNICAL DATA
